

INSTANT WORDS FLUENCY CHARTS

Based on Fry's Instant Word Lists

DIRECTIONS

Make copies of the following *Instant Words Fluency Charts* and *Instant Words Progress Charts* on cardstock. Laminate the 24 *Instant Words Fluency Charts* and cut the cards apart. Punch a hole in the top left corner and affix a ring to keep the charts together in numerical order. Make a set for each of your students.

Have students practice reading down Group #1 until they can read down the list (orally) in 30 seconds or less. Once a student can successfully read all the words on the list in 30 seconds or less, he/she can check off Group #1 on his/her *Instant Words Progress Chart* and move on to Group #2.

See the chart below to determine which group your students should be able to read through successfully by the end of the school year.
